CAN CH KINGSLAND N' BELMARK FUSION BEST PUPPY, CSSA; WD, BOW, BEST PUPPY, ASSCA 2008

Am Ch Belmark Lo And Behold x Kingsland Showgirl (a "Monroe" granddaughter)

From the first moment I saw this puppy I knew he was something special! His first show was the Canadian National, and at 6 months and 3 days old, he was awarded Best Puppy in Show.

The next day he was Winners Dog, Best of Winners and Best Puppy at the ASSCA Specialty!

Many thanks to judges Nioma Coen and Linda Millman for recognizing this outstanding puppy.

Thank you to the many breeders and exhibitors for their lovely comments and support.

And huge thanks to Larry and Linda Baum for breeding him, and Bella for letting him come to live with me!

FLASH: Fusion wins BOB at the WASSA Specialty under Sulie Greendale-Paveza!

Where the boys are

CAN CH BELMARK SECOND TO NONE

4TH, 9-12 FUTURITY, ASSA 2008

Ch Belmark Lo And Behold x Am Can Ch Belmark All Shook Up

Many thanks to Bella for letting this lovely boy come to Canada!

When he arrived as an 8 month old puppy, he wowed everyone, and finished his Canadian championship his first weekend out, from the puppy class. At his first show in the US, which was the 2008 National, he won 4th in the 9-12 Futurity class and represented his sire, who was 2nd, Stud Dog class. Now in limited showing in the US, Wyatt has a BOB from the classes as well as single points, before his puppy shed. He will be back for his Majors after he regrows his coat.
